Five Nights At Freddy's 2 was released on Nov 10, 2014 About The Game Welcome back to the new and improved Freddy Fazbear's Pizza! In Five Nights at Freddy's 2, the old and aging animatronics are joined by a new cast of characters. They are kid-friendly, updated with the latest in facial recognition technology, tied into local criminal databases, and promise to put on a safe and entertaining show for kids and grown-ups alike! What could go wrong? As the new security guard working nights, your job is to monitor cameras and make sure nothing goes wrong after-hours. The previous guard has complained about the characters trying to get into the office (he has since been moved to day-shift). So to make your job easier, you've been provided with your very own empty Freddy Fazbear head, which should fool the animatronic characters into leaving you alone if they should accidentally enter your office. As always, Fazbear Entertainment is not responsible for death or dismemberment. Five Nights at Freddy's: Security Breach was released on Dec 16, 2021 About The Game Five Nights at Freddy's: Security Breach is the latest installment of the family-friendly horror games loved by millions of players from all over the globe. Play as Gregory, a young boy trapped overnight in Freddy Fazbear's Mega Pizzaplex. With the help of Freddy Fazbear himself, Gregory must survive the near-unstoppable hunt of reimagined Five Nights at Freddy's characters - as well as new, horrific threats. THE HUNTERS AND THE HUNTED - Once nighttime protocols are initiated, the animatronics at Freddy Fazbear's Mega Pizzaplex will relentlessly pursue all intruders. Glamrock Chica, Roxanne Wolf, Montgomery Gator, and the Pizzaplex's security guard, Vanessa, will turn over every Cotton Candy Pizza Stand if they have to - it's not wise to stay in one place for too long. ADAPT TO SURVIVE - Access the building's security cameras to survey the environment and plan your route through danger. Distract enemies by knocking over paint cans and toys - just slip away before enemies are drawn to your location. Hop into hiding spots and allow danger to pass, or try to outrun your pursuers. Play your way, but be prepared to adapt. How to Download & Install Five Nights at Freddy's: Security Breach Click the Download button below and you should be redirected to UploadHaven. The previous guard has complained about the characters trying to get into the office (he has since been moved to day-shift). So to make your job easier, you've been provided with your very mask of Freddy Fazbear, which can be used to fool other animatronic characters if they should accidentally enter your office.Five Nights at Freddy's 2 is a indie point-and-click survival horror video game original developed by Scott Cawthon.Similar to the first Five Nights at Freddy's, the player must survive a night shift at Freddy Fazbear's Pizzeria, from 12 A.M. to 6 A.M. game time, without being harmed by any animatronic characters that wander from room to room. The player cannot leave the security office, but can track the animatronics' movements via a network of surveillance cameras placed throughout the building. The office has three entrances, a hallway and two side air vents; in a departure from the previous game, none of these can be sealed off to block enemies from entering. Each vent is equipped with a light that can be used to check for any characters that are about to crawl into the office.This is a fan-made version created on MIT Scratch.As always, good luck and Have Fun! This time you'll have no security doors to protect you against the animatronics but will have to put on a Freddy Fazbear mask to fool them. Constantly monitor the surveillance cameras and the 3 entrances to your office, turn on your flashlight if needed and don't forget to wind up the music box.
